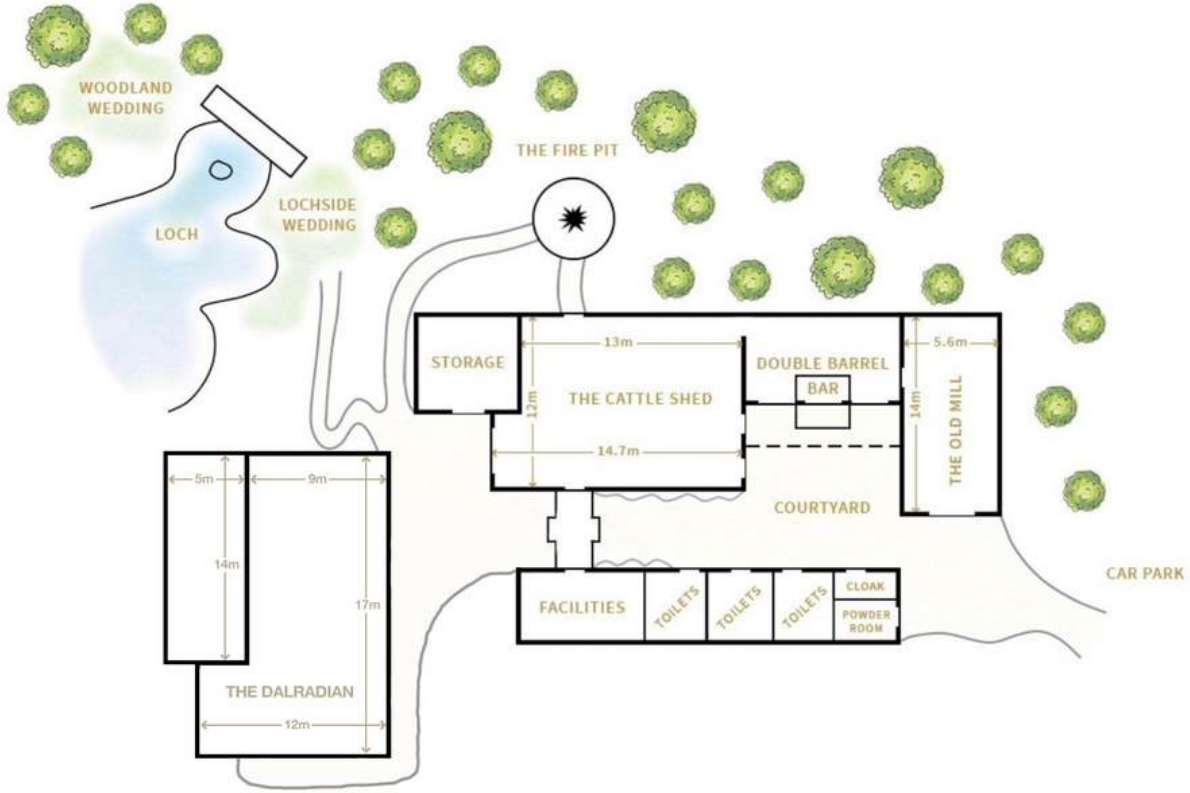
THE PERFECT WEDDING VENUE

Set in 2000 acres of scenic countryside in the heart of Highland Perthshire, our award-winning venue is just the place to make your dreams come true.

Our traditional steading, barns and stable have been lovingly converted into a rustic yet modern space with a choice of ceremonies on our private lochside, woodland or atmospheric Old Mill. Enjoy a loch side or courtyard drinks reception before dining in The Dalradian followed by the evening reception in the Cattle Shed, centred around the social courtyard and Double Barrel indoor/outdoor bar.



To us, great weddings are about making the very most of your time together. With our private cottages on site, Dunkeld and Blairgowrie just minutes away and plenty of accommodation options nearby for those extra guests. We're proud to be a dog-friendly venue and we have equestrian facilities if you'd like to bring your horse too.

BEST OUTDOOR WEDDING VENUE

Our award-winning grounds offer truly remarkable backdrops for your wedding. Our experienced team are on hand to set up your outdoor ceremony seating on the day, ensuring that you and your bridal party can spend the morning being pampered before our on-site taxi transports you to your ceremony.

THE LOCHSIDE LAWN

If you've always dreamed of a private waterside wedding, then you will fall in love all over again by the Cardney Loch. Sitting at the foot of Craig More which hosts the Highland fault line, the tranquil lochside offers breathtaking views of the landscape and endless photo opportunities.

THE WOODLAND CLEARING

Over the bridge and up a winding path will bring you into the Woodland Clearing. Like everything at Cardney, the clearing feels like you're a million miles from anywhere, yet it's just steps away from the main venue.

THE OLD MILL

The atmospheric, stone built mill is full of character and traditional rustic grandeur, ideal for cosy and intimate indoor wedding ceremonies. Its large double doors open out to the central courtyard area, giving you the freedom to transform the space throughout your day. The Old Mill also hosts the evening buffet, allowing guests a quieter space to enjoy a bite to eat and some time to recharge before returning to the dance floor!

JUST
MARRIED

Cardney Steading - where to start! The moment we viewed this venue we knew it was the one. We had the most incredible special day and that was all down to the Cardney team.

All our guests said it was the best wedding they had been too and all commented how amazing each part of the venue was. The way you have different areas from indoors to outdoors to work around your day allows you to take your guests on a journey which is truly unique.
The new dining room is so beautiful and the covered balcony is a brilliant add.

A HUGE thank you to the Cardney Team for everything, the running and operations were so slick but also, they make you feel so at ease and relaxed. So grateful to the wonderful Eva for all of her support in the run up and on the weekend, she makes it look so easy but we know you work so hard.

We couldn't recommend Cardney Steading more!

Testimonials

We were married at Cardney last July and feel so lucky to have discovered such an amazing wedding venue that made our day truly unforgettable. The beautiful setting and rustic style makes this place so unique, we were fortunate enough to have our drinks reception outside by the loch and our ceremony in the stunning old mill inn. Throughout the evening we were able to take advantage of the amazing outdoor bar and courtyard area which our guests loved for taking a breather from all the dancing!

As well as the gorgeous surroundings, what puts this venue above the rest are the AMAZING team who go above and beyond to make the day run seamlessly. Lewis and the team were the friendliest bunch and extremely welcoming to all of our guests. Eva was an absolute dream to work with as the venue coordinator, so responsive and accommodating and great fun to be around!
We cannot recommend this venue enough, such a memorable place for us and a huge thank you to Eva, Lewis and all of the team!

We had the most magical & memorable day of our lives here. From the moment we first viewed Cardney for our wedding we fell in love with the fairytale, woodland setting and our confidence only went up every time we interacted with the venue's wonderful staff.

Eva was the perfect host on our special day, she kept everything running smoothly and more importantly kept us both calm, happy and laughing. Communication on the lead up to the wedding was amazing, they were very accommodating for ideas I had and were always happy to answer questions.

The on site accommodation is cosy & comfortable and a perfect space for getting ready on your wedding morning.

I will never forget the incredible day we had here and we were even lucky enough to enjoy it in the sunshine. I could not recommend Cardney Steading more to anyone thinking of getting married here.
